OPŠTE INFORMACIJE

- U Računarskoj gimnaziji je u subotu, 26. maja održano prvo srpsko e-Sports takmičenje namenjeno srednjoškolcima „PlayIT“ koje je organizovao učenički parlament Računarske gimnazije. Ukupno 8 timova iz 4 beogradske srednje škole takmičilo se u igri „League of Legends“, a tim LolKon iz ETŠ „Rade Končar“ osvojio je prvo mesto dok su druge dve nagrade pripale timovima iz Računarske gimnazije. Takođe, učestvovali su i timovi iz Devete beogradske gimnazije i Matematičke gimnazije. Takmičenje je podržao PC Press (obezbedio periferije) i Adventure caffe (obezbedio posluženje). Pored samog turnira učenički parlament organizovao je i prenos uživo.

DETALJNIJE O TAKMIČENJU

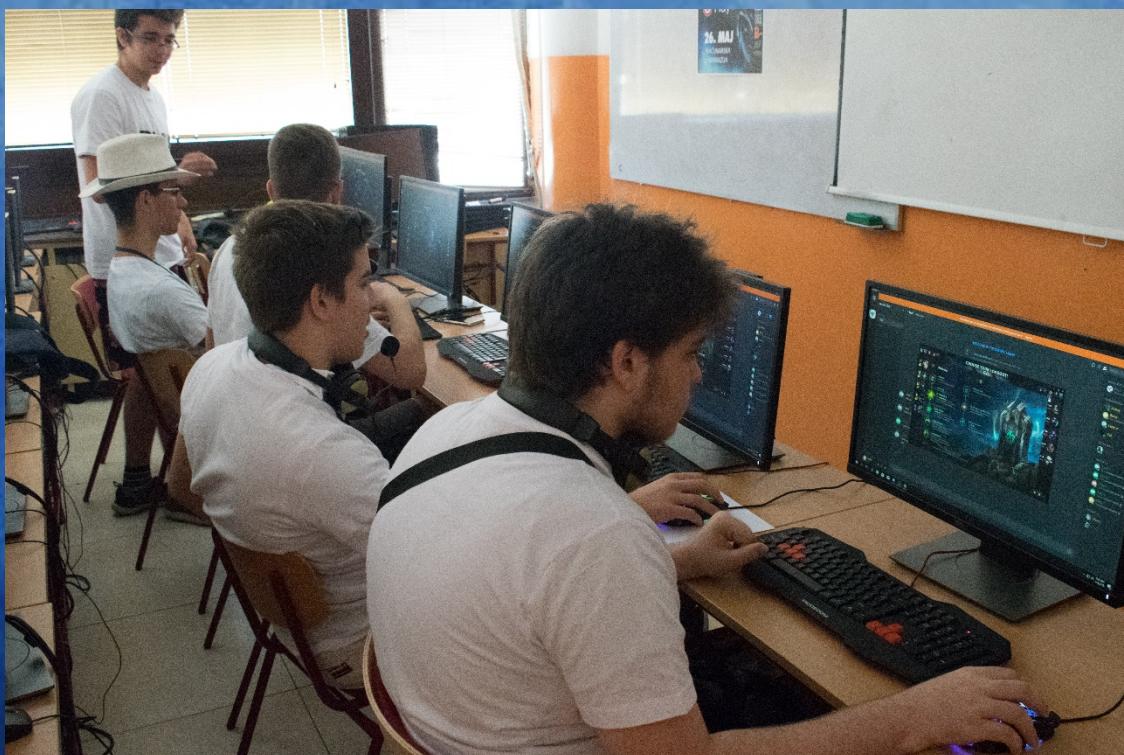

- Celo takmičenje je održano u jednom danu i svi mečevi su igrani na licu mesta
- Igrao se single elmination bracket sa 8 timova gde su svi mečevi osim finala bili best of 1
- Na kraju je odigrano 7 mečeva
- Takmičenje je bilo registrovano na sajtu Riot games-a i Riot je obezbedio nagrade u vidu RP-a
- Pored nagrada u RP-u pobednicima su podeljene i periferije koje je obezbedio PC Press

I mesto
Tim LolKon
ETŠ Rade Končar

II mesto
Tim Zek Zek Dadumle
Računarska gimnazija

The screenshot displays the Wirecast Pro software interface. At the top, the menu bar includes File, Edit, Switch, Media, Output, Layout, Replay+ISO, Twitter, Window, and Help. The title bar indicates "Main - Wirecast". The top center features the "Wirecast Pro" logo and status indicators for Stream (00:00:00), Record (00:00:00), ISO (00:00:00), and a small ISO icon. On the left, the "Shot Layers" panel shows a list with no selected items, with buttons for adding (+), removing (-), and reordering (^, v). The main preview window shows a blue textured background with large white text "LLK" and "WINS!" in the center, and a "PLAY IT" graphic on the right. Below the preview are controls for Smooth and Cross Dissolve transitions. The bottom section is the "Main Shot List" containing nine items, each with a thumbnail, duration, and settings. Item 1 is a "Clear Layer" with duration 02:57. Item 2 is an "Overlay" with duration 40:37. Item 3 is a "Game" clip titled "PLAY IT" with duration 02:50. Item 4 is a "Bracket" clip with duration 02:59. Item 5 is a "WaitingForTheGame" clip titled "ZWD VS LLK" with duration 01:56. Item 6 is a "GameIsLoading" clip titled "ZWD VS LLK" with duration 01:56. Item 7 is a "Win" clip with duration 01:56. Item 8 is a "NextGameIsLoading" clip titled "NEXT GAME: ZWD VS LLK" with duration 01:56. Item 9 is a "Draft" clip with duration 01:56. The right side of the interface has vertical timeline markers from -6 to +6.
